RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Dear Sir:

In response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office mailed September 28, 2006, Applicants respectfully submit a copy of the Declaration as filed on February 22, 2006 and a copy of the PCT Request and Power of Attorney for the International Application as filed on August 20, 2004, along with a copy of the Notification.

The Notification states that the Declaration filed on February 22, 2006 is not in compliance with 37 CFR 1.497(a) and (b) because the second inventor is listed as "Gordon L. Letts" on the International Application and as "L. Gordon Letts" on the Declaration. Applicants submit that Inventor Letts' name was incorrectly printed on the International Application by the Patent Office. As indicated on the copy of the PCT Request as filed on August 20, 2004, Inventor Letts' name was submitted as "L. Gordon Letts," which matches the name listed on the Declaration. Therefore, the Declaration filed on February 22, 2006 is in compliance with 37 CFR 1.497(a) and (b) and a new Declaration is not required. Since the error in the listing of Inventor Letts' name on the International Application is due to a typographical error by the Patent Office, Applicants believe that no fees are due in response to the Notification.

The Notification on page 2 also states that the application does not contain a "Sequence Listing" as required by 37 CFR 1.821(c). Applicants submit that the application

Application No.: 10/568,819

Docket No.: 0102258.00174US3

does not contain disclosures of nucleotides or amino acid sequences and therefore no separate Sequence Listing is required.

Applicants respectfully submit that all the requirements for acceptance of the instant application under 35 USC 371 have been met by applicants' filing on February 22, 2006. Accordingly, Applicants request that the Patent Office properly issue an official Filing Receipt and Notice of Acceptance for the instant application.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 08-0219, under Order No. 0102258.00174US3.

Respectfully submitted,

Dated: *November 3, 2006*
